God Made Me

Memory Verse: God made me. Job 33:4

Bible Story: God Made Everything - Psalm 95:3-7

God Made People

God made everything!

God made the cold water we drink.

God made the big waves in the sea.

God made the land that's all around us.

God made all the people, too -

Big ones and little ones,

People like me, and people like you.

God made us. And we are glad!

Song to the tune of Pop Goes the Weasel

I have two eyes

I have two ears

I have two hands and feet

I have one mouth and one little nose,

But, oh, so many fingers and toes!
