

1ST – 5TH GRADE

APRIL 2025

MEMORY VERSE: Romans 5:8 NLT, “God showed His great love for us by sending Christ to die for us while we were still sinners.”

CONFESSION: Jesus took my sin. He carried it away. Because Jesus paid the price for my sin and went to hell for me, I won't have to go. I have a covenant with God now. All that I am and have belongs to God. All that He is and has belongs to me. Jesus is my Lord!

POINTS:

I get points by bringing my Bible, bringing my offering, bringing friends to Church and saying my memory verse and the Books of the Old and New Testaments.

The next Points Store is May 4th.

Memory Verse: *God made everything. Genesis 1:1*

Bible Story: *God Made the World - Genesis 1:1-31*

God Made the World

God made everything that grows.

He made green grass

And pretty flowers grow on the ground.

He made trees grow way up high.

God made puppies grow into dogs

And kittens grow into cats.

Little pigs grow into big pigs and

Little cows grow into big cows that say “moo!”

God made little babies grow bigger

And bigger - just like you.

Song to the tune of Jingle Bells

Oh, God made ducks

And rabbits and squirrels

And little birds to sing.

God made you and God made me.

Yes, God made everything
